The Principal,

Government Degree Colleges/GCET's
UT of Jammu and Kashmir

Sub: Seeding of Aadhar of beneficiary students under Pre/Post Matric Scholarship Scheme.

Ref: Letter No. DSWOJ/777-79/2026 dated 08.07.2026 from Office of the District Social Welfare Officer, Jammu

Sir/Madam,

Apropos to the subject and reference cited above, this Directorate is in receipt of the communication from the Office of the District Social Welfare Officer, Jammu, wherein it has been intimated that a large number of students had applied under the Pre/Post Matric Scholarship Schemes and that the applications of the majority of the eligible students have been duly sanctioned by the concerned Nodal Officers/Competent Authorities, resulting in the successful disbursement of scholarship benefits.

However, it has also been reported that the bank accounts of certain beneficiary students are not Aadhaar-seeded. Consequently, these students are unable to receive the scholarship amount under the Direct Benefit Transfer (DBT) mechanism.

In view of the above, you are requested to instruct the concerned Nodal Officers to ensure, before verifying and recommending scholarship applications, that the bank account of every applicant is duly Aadhaar-seeded. This may invariably be verified during the scrutiny of scholarship applications so that eligible students do not face any difficulty in receiving scholarship benefits.

You are further requested to give wide publicity to this advisory among all students of your institution through notices, student groups, college websites, and other appropriate means, advising them to get their bank accounts Aadhaar-seeded at the earliest to avoid rejection or delay in the release of scholarship benefits.

The matter may be treated top priority, and strict compliance may be ensured.

Yours Sincerely,

Dr. Sheikh Ajaz Bashir
