NOTE: the concerned departments are authorized to make internal adjustments within their respective lectures without transgressing into the time table of other periods as per their requirements within their departments. Further commerce department is directed to make its own time table according to this general time table and submit a copy of the same to theu/sd. Further, rooms for 3rd and 5th semester(CBCS) are not allotted. Given their less number, the faculty members shall adjust their classes on the places they find free and suitable.
