Introducing our newest initiative

"A Day in the Life of a Deputy Collector": First-of-its-Kind Program Inspiring UPSC aspirants of GDC Kishtwar.

Kishtwar, May 13, 2024

Student Welfare Committee, GDC Kishtwar spearheaded by Dr. Sehrish Gazal (Dean) and Dr. Tabassum Saleem (Asstt. Dean), in collaboration with the District Administration Kishtwar, organized a ground breaking one-day student program titled "***A Day in the Life of a Deputy Collector.***" This initiative, under the esteemed patronage of Prof. Basharat Iqbal, Principal of GDC Kishtwar, aimed to provide aspiring UPSC civil service candidates of the college with a unique learning experience. Thirteen students, with dreams of serving their nation through the UPSC, were granted the rare opportunity to spend a day alongside Dr. Devansh Yadav, the Deputy Collector of Kishtwar. The program facilitated a day-long interaction between the students and Dr. Yadav, offering invaluable insights into the daily operations, responsibilities, and challenges faced by a Deputy Collector.

In a heartwarming gesture, the students lined up to greet Dr. Yadav upon his arrival, presenting him with roses symbolizing their appreciation and eagerness to learn from his experiences. The students participated in an online Voice Conference, where Deputy Commissioners from various regions engaged in dialogue with the Divisional Commissioner Jammu. This initiative provided students with a comprehensive understanding of the state's operations as a whole, enriching their insights into governance and administration. Throughout the day, students actively participated in various meetings and observed the functioning of the Deputy Collector's office, gaining firsthand knowledge of the role they aspire to undertake.

One of the highlights of the program was the opportunity for students to share lunch with Dr. Yadav, fostering a casual yet insightful environment for discussions about the intricacies of governance and public service. The event concluded at 4 pm, leaving students thrilled and enlightened about the challenges and responsibilities encountered by a Deputy Collector on a daily basis. Dr. Devansh Yadav has emerged as a beacon of inspiration for the youth, owing to his hard work, exceptional intelligence, and dedication to public service. His leadership has led to significant developmental activities in Kishtwar, elevating the region to new heights despite its remote, hilly terrain. Dr. Yadav's passion for growth and success has not only transformed the district but also inspired many towards the path of civil services. Moreover, Dr. Yadav's contributions to the educational sector are commendable. His vision and efforts have played a pivotal role in the growth and development of GDC Kishtwar, reflecting his commitment to nurturing future leaders. His guidance and motivational lectures on cracking the UPSC exams have empowered countless students to pursue their aspirations with determination and clarity.

The "*A Day in the Life of a Deputy Collector*" program stands as a testament to GDC Kishtwar's commitment to providing holistic education and grooming socially responsible citizens. Such initiatives not only enrich the educational experience but also inspire a new generation of leaders ready to serve their nation with integrity and diligence.
